

## Show Levy Offer

As a way of keeping costs down for all cast we have managed to put together a package to enable you to get your show levy back or of course use it for entry into the next big production!!!!!!

### The Offer:

If you sell 15 ADVANCED tickets through BYP we will refund your £40 show levy or you can use it against your levy for the next production

The offer won't include any ticket sales through the Kenton Theatre

This offer is going to run on each and every production from now on, so if you sell 15 advanced tickets for every show you will never pay a show levy **AGAIN!!!!!!**
